

SAMBASSADEUR

Sambassadeur

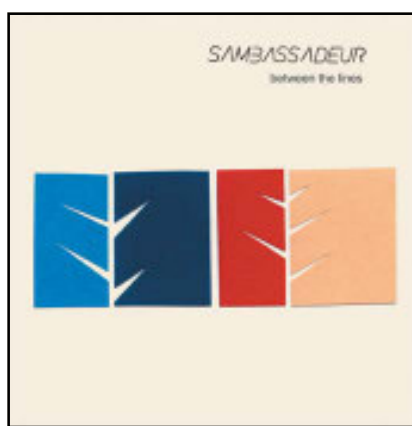

Between The Lines EP

This is the debut EP for **Sambassadeur**. From Gothenburg in Sweden, newly signed to Labrador Records and currently enjoying their first taste of success in the Swedish Singles Chart.

Formed in an apartment in 2003 Sambassadeur are Joachim Läckberg – guitar, Anna Persson – vocals & guitar, Daniel Tolergård – bass and Daniel Permbo – vocals and guitar. The band cite influences such as **The Go Betweens**, **France Gall** and **Wire**, but one listen to their highly infectious EP will bring to mind the likes of **Shop Assistants**, **Belle & Sebastian** and **Radio Dept.**

Heartfelt, gentle and emotive songs, simple and understated. **Between The Lines** is pure indie guitar pop, gorgeous lazy melodies wrapped around fuzzy guitars and far away tambourines.

Sambassadeur play their first ever shows in the UK in April. Just two showcase nights in London, they headline the first live night for Ian Watson's **How Does It Feel Club** at the Windmill in Brixton on April 7th, followed by a Saturday night headliner at the tiny Betsey Trotwood in Farringdon. Further shows will follow in May.
